## 7-Day-Old Warrior

### Baby Shree's Unbelievable Comeback!

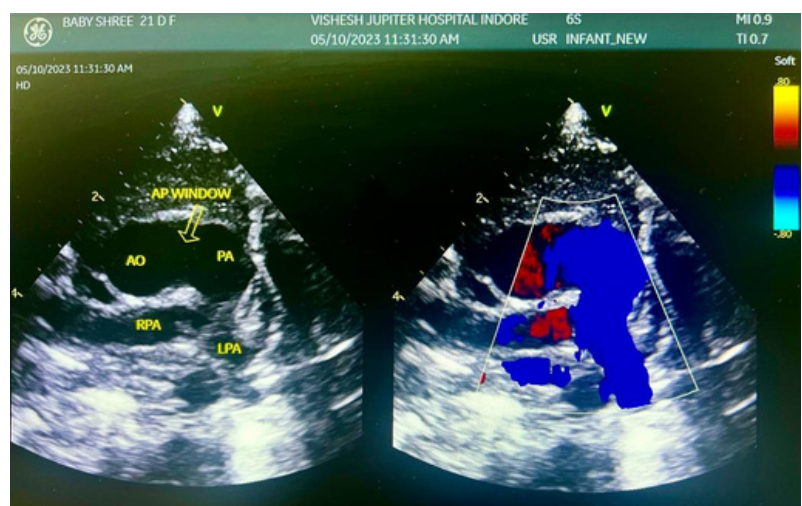

We are delighted to share an uplifting story of resilience and triumph that underscores the incredible impact of expert medical care and community support. Baby Shree Upadhyay's journey, made possible through the government scheme RBSK, is a shining example of how timely intervention and collaborative efforts can transform lives.

Baby Shree's story began with her parents facing the daunting challenges of a heart defect diagnosis in Jabalpur—a moment that led them to us for urgent intervention. From the outset, her medical journey at Jupiter Hospital in Indore became a testament to the power of expertise and collaborative care.

Initially diagnosed by **Dr. Ravi Ranjan Tripathi**, Baby Shree's condition revealed a substantial cardiac anomaly—a large Aorta pulmonary window coupled with severe pulmonary hypertension.

The dedicated medical team, recognising the complexity of her case, swiftly initiated crucial steps towards healing under the expert guidance of **Dr. Ashutosh Singh**, Consultant - Paediatric Surgeon.

October became a month of celebration as Dr. Ashutosh Singh with his expert team including Dr. Pritam Jadhav(Pediatric Cardiac Anesthesiologist) performed the transformative surgical procedure, marking a turning point in Baby Shree's battle for health. Throughout her 15-day hospital stay, characterized by attentive care and expert Pediatric Cardiac intensive care by Dr Sanjay Bhalerao and his team.Baby Shree emerged triumphant, achieving complete recovery from her challenging condition.

**DR. ASHUTOSH SINGH**  
CONSULTANT PEDIATRIC CARDIAC SURGEON

**DR. RAVI RANJAN TRIPTAHI**  
CONSULTANT - PAEDIATRIC CARDIOLOGIST

This heartwarming success story is not only a testament to Dr. Ashutosh Singh's expertise but also highlights the collaborative efforts of the entire Pediatric Cardiology Team at Jupiter Hospital. Baby Shree's journey underscores the resilience of the human spirit and the importance of skilled healthcare professionals working in unison to bring about transformative recoveries.

<h2>सर्जरी से 7 दिन की बालिका को मिली हृदय रोग से राहत</h2>	<p>पीपुल्स संवाददाता • जबलपुर editor@peoplessamachar.co.in</p>	<p>आरबीएसके टीम के डॉ. एनडी पटेल एवं डॉ. अमिता गुप्ता ने इसकी जानकारी डीईआईएम सुभाष शुक्ला को उपलब्ध कराई। इसके बाद प्रकरण तैयार कर समिति गठित कर बच्चे की दो लाख पचास हजार रुपए की निःशुल्क हृदय रोग की सर्जरी के लिए शासन द्वारा मान्यता प्राप्त संचालक विशेष जुपीटर हास्पिटल इंदौर के लिए रेफर किया गया, जहां पर गत दिवस को श्री की निःशुल्क सर्जरी की गई।</p>
	<p>जन्म से ही हृदय रोग से पीड़ित 7 दिवस की बालिका श्री उपाध्याय को सर्जरी से राहत मिली। ग्राम पड़रिया कटंगी ब्लॉक पाटन निवासी आनंद उपाध्याय की 7 दिन की बेटी श्री हृदय रोग से पीड़ित थी। क्षेत्र की आंगनवाड़ी में स्वास्थ्य परीक्षण करने पहुंची आरबीएसके टीम ने पाया कि बालिका श्री जन्म से हृदय रोग से ग्रसित है। इसके बाद</p>	

**Now thriving on the path to sustained well-being, Baby Shree continues to defy her initial health challenges during follow-up visits. Her journey stands as a testament to the collaborative efforts of our dedicated medical team, the unwavering support of parents, and the efficacy of timely intervention.**
